

NPA PROXY BIDS

What is a Proxy Bid?

If a dealer is unable to bid during a live auction, Proxy Bids can be placed for live auction units without the dealer being present.

How to Add a New Proxy Bid

To add a Proxy Bid you must first log in using your username and password. Scroll over "BUY" in the top grey bar navigation. Choose which auction you are interested in then select "Preview All Units" and you will be redirected to the Vehicle Browse Page. Once you have chosen a unit click "Place Proxy" to the right of the screen. You will see a pop-up requiring your bid information and contact information. Click "Submit" and NPA will process your Proxy Bid.

Proxy Bid Details

Proxy Bids will show the following information: Proxy Status, Date Placed, and Proxy Bid Amount. Click Proxy Bid Amount and you will be taken to the Proxy Bid Details page. To increase your Proxy Bid, update the amount, check the terms and conditions check box, and then click submit. The user can click on the "Contact Info" link to select an authorized agent's contact information. This is very important in case the dealer needs to be contacted on auction day. You can also delete Proxy Bids from this page as well. Click the "Cancel" check box and submit. Once a Proxy has been cancelled the bid will be removed from the Purchases page. Bids need to be cancelled by end of business the day prior to auction.
