

NPA PROXY BIDS

What is a Proxy Bid?

If a dealer is unable to bid during a live auction, Proxy Bids can be placed for live auction units without the dealer being present.

How to Add a New Proxy Bid

To add a Proxy Bid you must first login using your username and password. Scroll over the grey bar in the top navigation and click "BUY". Choose which auction you are interested in then select "Preview Vehicles" and you will be redirected to the Vehicle Browse Page. Once you have chosen a unit select the "- Place Bid -" to the right of the screen. You will see a pop-up requiring your bid information and contact information. Click submit and NPA will process your proxy bid.
