**National Powersport Auctions Hires New Territory Sales Manager
Erik Chase for NPA Dallas facility**

POWAY, Calif. (July 28, 2022) – National Powersport Auctions (NPA), the leading provider of powersports remarketing and auction services, is pleased to announce Erik Chase as the Territory Sales Manager for New Mexico, Southern Texas, and Louisiana. Donny Erickson, the previous sales manager for that territory, is not leaving NPA but transferring to another region and is happy to support Erik as the new man for the job.

Chase has been riding motorcycles since he was eight years old. He started his powersports career at Central Texas Harley-Davidson in 2015. Over the last five years, Chase was a Pre-Owned Inventory Manager and Salesperson at a dealership in Austin, Texas, where he was responsible for consigning and buying units through NPA. Chase joins NPA with firsthand experience of the benefits NPA delivers.

Chase enjoyed the sales side of the industry and was ready to move up to NPA. “Having worked with NPA for four years, I knew it would be a great fit for my next career step. I’m looking forward to traveling, meeting new people, and forging great relationships with different dealerships around the states,” stated Chase.

Chase is a welcome addition to the NPA sales team and understands how beneficial the pre-owned market is to a business. “We are lucky to have Erik as part of our national sales team and look forward to the continued growth of the territory,” said Mike Murray, Vice President of Sales.

Dealers can reach Erik at echase@npauctions.com or 737.226.8031.
