KEEP ON TRUCKING! NPA Looking to Expand Carriers

San Diego, CA, November 10, 2017 – Attention short-haul trucking professionals! National Powersport Auctions (NPA), the industry leader for powersport auctions and remarketing services, is looking to expand its transportation network. New facilities and growth in vehicle volume has resulted in a need to support NPA'S growing base of powersports dealers and regional auction facilities and nationwide.

“As the company expands with more locations, dealers and OEMs, our transportation reach must expand as well,” states NPA Transportation Manager Rich Vallee. “We already have the best powersports transportation network in the world. The ability to move powersports vehicles both cost effectively and in a timely manner is a top priority.”

NPA is currently looking for transporters who can support dealers in the Pacific Northwest, New England and the Minnesota-Wisconsin area. This includes services such as inbound, backhauls and NPA inter-facility transfers, both regional and nationwide.

NPA will be interviewing new carriers for a number of routes effective immediately. If you are interested in working with a powersports industry leader, please submit an inquiry at www.npauctions.com/new-carrier.aspx.
